Chosen Miss Bristol County

DONNA DESJARDINS CROWNED

Miss Donna Desjardins of Wareham is shown as she was crowned after being named Miss Bristol County. Miss Desjardins had completed a year's reign as the 1966 Cranberry Festival Queen when she competed for and won her new honor. Donna is now attending Chandler School for Women in Boston after working this summer for the telephone company in Wareham. She is a graduate of Wareham High School and a past worthy advisor of the Rainbow Girls. Her parents are Mr. and Mrs. Norman Desjardins of Wareham.

"That Warm Glow"

Editorial

Wally Sylvia, formerly of Mattapoisett who now lives in Littleton, Colorado, expressed the feeling. Whenever he sinks a putt for a

birdie, whenever he makes two consecutive finesses, especially when he bids 7 spades and makes it, he looks up with an angelic smile and says, "ah, oh, there's that warm glow". I swear it's possible to see the happiness pulsing all over his chest. Well, that warm glow is pulsing around chests in Massachusetts this morning. People who don't even follow baseball very much have it. The Boston Red Sox again and again have come from behind to win. A ninth place team last year, they fought and fought and never let up. They lost a top batter from the line-up in the heat of the finish and they took turns plugging the big hole. This is not only a winning team. This is a triumph of the indomitable spirit of a team pulling together as one. This Red Sox team could have ended up in third place with honor, second place with plaudits, but, to be number one, that's the triumph. It is the ultimate. On a smaller scale it's what life is all about. All of us poor mortals plugging away, doing our best, plugging the holes, can look up and see that it's possible to come out on top. When the angels are with us, comes that WARM GLOW. How sweet it is.

Delights Ahead

Editorial

DELIGHT IN THE SOUND OF MUSIC

This is a fan letter for a musical group which I consider the finest entertainment organization in this community. When culture is mentioned a lot of people imagine a boring experience. Not so with the Regional Symphonic Band. Never have so many local people absorbed good music with so much pleasure. This band is a powerful voice for the joy of music. The Regional Symphonic Band could play in any big city in this country and receive acclaim. Since they are now soliciting patrons, sponsors and season tickets, this seems a likely time for an unsolicited testimonial. Do yourself a favor. You deserve to hear music like this. Every concert is a stirring experience. I recommend this band to people of all musical tastes.

KICK OFF FOR "FAIR SHARE" ON BUILDING FUND

The kick off for the "Fair Share" phase of the St. Anthony Building Fund Drive was held on Sunday, October 1, following Benediction in the Church.

The formal memorial fund drive was a financial success and arrived at a grand total of \$95,000 pledged to date. Memorials will be available during the fair share phase of the Drive and until the actual construction of the Church is under way.

Board to Hold Zoning Hearings

TO THE PEOPLE OF MATTAPOISETT:

In this issue of the Presto Press there is printed a copy of the proposed Zoning By-Law and Map for Mattapoisett as prepared by the Zoning Board and a notice of the official hearing as provided in Massachusetts General Laws, Chapter 40A, being the State Zoning Act. We hope that the proposed By-Law and Map will be well studied and discussed, since in the last analysis it is the people of Mattapoisett who must make the decision.

There will be a preliminary public meeting to discuss the proposed Zoning By-Law and Map in the auditorium of the Town Hall at 8:00 P.M. on Monday, October 16, 1967. As set forth

in the notice, the official hearing will be held in the Town Hall auditorium at 8:00 P.M. on Monday, October 23, 1967. Anyone who has any questions in regard to the proposed Zoning By-Law and Map, either for or against, or has any suggestions for changes or amendments should be at the Town Hall for at least one of these meetings. As many members of the Zoning Board as possible will be present to explain and answer questions. We wish to hear all points of view. If we know your ideas and have your suggestions and objections before the Special Town Meeting, there is a better chance of a meaningful and acceptable Zoning By-Law for Mattapoisett.

The proposed Zoning By-Law and Map printed in this issue of the Presto Press is the result of much thought and discussion and the study of other zoning by-laws by the Zoning Board and its predecessor, the Special Committee on Zoning. We have attempted to fit our proposal to the especial needs and desires of the people of Mattapoisett. It is specially and specifically made for the Town of Mattapoisett. Matta-

WALTER'S ATLANTIC STATION

ROUTE 6, FAIRHAVEN - 996-9327

ness it must have zoning before it is too late.
Time is running out.

In considering any zoning by-law it should be
borne in mind that it must conform to the State
Zoning Law, (G.L. C.40A) which provides many
safeguards in favor of the people. Section V
provides, in general, that a zoning by-law or
amendment shall not apply to existing buildings
or structures nor to the existing use of any
building or structure or of land to the extent to
which it is used at the time of the adoption of
the by-law or amendment, but it shall apply to
any change of use or alterations, etc. These
exceptions are called in the Act "Non-Conform-
ing Uses".

Section 5A provides, in effect, that any single
lot or parcel of land surrounded by land of dif-
ferent ownership may be built for residential
purposes if it has an area of at least 5000 square
feet and a frontage of at least 50 feet, and is
in a residential district, subject to a few excep-
tions. The provisions are different if the land
is surrounded by land in the same ownership.

In order that the effect of zoning shall not be
too rigid, a Board of Appeals, under Sections
13, 14 and 15, is provided so that zoning shall
more nearly conform to the needs and desires
of the community. This Board has three func-
tions: (1) to hear and decide appeals of ag-

grieved persons, (2) to grant special permits for exceptions and (3) to grant variances from the exact requirements of the By-Law.

In preparing the proposed Zoning By-Law for Mattapoisett we have, of course, followed the provisions of Chapter 40A and interpreted them in favor of freedom and diversity.

A good zoning by-law should not only make Mattapoisett a more pleasant place in which to live, but also, increase the value of property, bring more summer residents and encourage business and industry to come to our town. This widening of the tax base should help to hold down taxes. A zoning by-law should affect most people in Mattapoisett to a modest degree only, and its benefits should greatly outweigh its inconveniences.

If you have any suggestions, objections or questions come to the Town Hall on October

Kindergarten Urged

LETTER TO THE EDITOR

Mattapoisett can have a public kindergarten program by the fall of 1968 if the town wants it. And why shouldn't the town want it?

There's increasing evidence that the first six years of a child's life are the most important in the building of his or her education foundation. The Kindergarten Study Committee of the Massachusetts Department of Education says this in its recent report on kindergartens: "A growing body of research and experience demonstrates that by the age of six most children have already developed a considerable part of the intellectual ability they will possess as adults".

In the North Atlantic states, 71.9 per cent of the school districts provide kindergarten education while in Massachusetts only a third of the school systems offer it. Realizing that kindergarten training is more important than

ter School and kindergarten classes can be inaugurated at a moderate cost, compared to those towns where new buildings will have to be provided.

A petition now being circulated would put the kindergarten question on the special town meeting warrant. The petition asks that the school committee include funds for a kindergarten in its 1968 budget. The committee is in favor of

kindergarten and the petition will show that there are people interested in having it. So far, response to the petition has been overwhelmingly in favor of a public kindergarten.

To those who may consider kindergarten an unnecessary luxury for the town, consider these points made by the state Kindergarten Study Committee:

--"Lack of a public school kindergarten program means that no pre-school education is available for too large a segment of the state's pre-school population. This inequality is readily recognized by first grade teachers who must struggle with the 'experience gap' during the greater part of the first grade year.

--"Kindergarten affords early detection of perceptual, language and motor disorders; and physical, social and emotional handicaps, including the kind of anti-social behavior that can lead to juvenile delinquency.

--"Kindergarten provides a foundation for the learning of the basic skills of reading, writing and mathematics. Few homes can provide the entire range of facilities, equipment, materials and supplies or the 'know how' to provide opportunities for the development of which these children are capable."

The committee report concludes with this statement: "A major portion of research today strongly supports the incorporation of a program of kindergarten education in every public school system."

It should be noted that some of the children who would benefit from a public kindergarten

schools for grades 3, 4 and 5. Lists will be distributed to each pupil to be checked off during the week at home on fire prevention within the home. The lists, signed by a parent, will be returned on Thursday. On Friday, October 13th, the fire engine from each town will visit the schools and plastic red fire hats will be given to each pupil completing the list.

"Newcomers" will have the opportunity to meet YWCA's new "Teen Newcomers Group," who are young Portuguese immigrant girls coming to the Y for sports, and arts and crafts work. These girls will entertain the "Newcomers" with Portuguese songs and folk dances.

Members of Southeastern Massachusetts Technological Institute Faculty Wives Club, and all faculty women are especially invited to attend this program. All recent newcomers living

in this area are most welcome to join the group and enjoy the visitations to interesting spots nearby.

Arrangements can be made for nursery care of children over 2, if there is sufficient need. Reservations for lunch, and for nursery care, should be made at the Y by October 6.

Miss Barbara R. O'Brien, home economist, Bristol County Extension Service, will speak on "Discount Shopping" for the Solo Parents Club at the YWCA Tuesday evening at 8. A business meeting is scheduled, and refreshments will be in charge of the hospitality committee. Interested men and women who are eligible for club membership, which is open to divorced, widowed, or separated fathers and mothers, with or without custody who have minor children, are cordially invited to attend as guests.

Travel Club members and friends have planned a trip on October 8 to see the fall foliage and will have dinner at Lord Fox Inn about 5 P.M. The group will leave the Y in private cars at 1:30. Reservations should be called in to the Y office by October 5.

Sunday dances at Otis Air Force Base resume October 8. Junior Hostesses attending should meet in the lobby at 5:45 P.M. and be ready

to leave on the bus at 6. Return is scheduled for 11. Other dances will be on October 22 and 29.

The next monthly training meeting is on October 10. A brief business meeting at 7:30 will be followed by a talk on "Home Management," by Miss Barbara R. O'Brien, home economist for Bristol County Extension Service. Junior Volunteers are required to attend training meetings to be eligible to attend the dances. Inability to be present, if due to emergency, may be made up by making arrangements with Mrs. Young, director USO program.

High School graduates 18 to 25 years of age are needed in the Junior Volunteer program that offers fun and community service. Inquiries are always welcome at the YWCA.

Teen Charm and Saturday classes for children start Saturday. Art, baton, drama, beginning ballet are offered.

Mrs. Erma E. DeBoer, executive director;
Mrs. George Grimes, chairman of the local

AIR POLLUTION - WHAT'S BEING DONE?

New England Telephone is a maze of central offices, switching equipment, telephones, computers, business offices and many other things. It is also a big company on wheels. Over 5,000 company cars and trucks carry out a multitude of operations that help make this complicated network function. However, there's a problem with being "big". Each of these trucks and cars is a potential contributor to air pollution.

Business and industry has a critical part to

MATTAPOISETT ZONING BOARD

WILL HOLD A PUBLIC HEARING

MONDAY, OCTOBER 23, 1967, AT 8 P.M.

AT THE

MATTAPOISETT TOWN HALL

TO CONSIDER THE PROPOSED ZONING BY-LAW AS FOLLOWS

Mattapoisett Zoning Board

Thomas Earle, Jr., Chairman

PROPOSED ZONING BY-LAW

FOR

MATTAPOISETT, MASSACHUSETTS

SECTION I - Purpose

To:

1. Promote the health, safety, convenience and general welfare of its inhabitants.
2. Lessen the danger from fire and congestion.
3. Conserve the value of land and buildings.
4. Enhance the beauty and attractiveness of the Town.
5. Encourage suitable new businesses.
6. Encourage the growth of the summer population.

All in accordance with the General Laws of Massachusetts Chapter 40A and amendments thereof.

SECTION II - Definitions

In this By-Law, the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings.

- A. Lot: A single parcel of land, including swamp or water, having one owner, or group of owners defined by boundary lines on a legally recorded plan, deed or will.
- B. Trailer or Mobile Home. Any vehicle basically designed for human habitation and for occasional or frequent mobile use, whether resting on wheels or on a rigid foundation.
- C. Accessory Use. A use customarily incidental to that of the main building including any lawful profession, craft or trade, or to the primary use of the land, including parking, loading and storage area.
- D. Accessory Building. A detached subordinate building located on the same lot with the main building or use, the use of which is customarily incidental to that of the main building or the use of the land.
- E. Guest House. Any accessory building or part of garage or similar building, smaller than the principal dwelling, having not more than three rooms, plus bath and kitchenette, the main purpose of which is the accommodation of non-paying guests.

SECTION III - General Regulations

- A. Non-conforming Uses.

1. Any lawful use of a building or part thereof or any lot or any accessory use thereof existing at the time of the adoption of this By-Law or any amendment thereof may be continued although such use does not conform to the provisions hereof, and any existing building or lot devoted to such use may be structurally altered and the use thereof changed to any use not more detrimental to the character of the district in which it is situated, provided such building is not enlarged more than 50% in volume and is not altered during its lifetime to an extent exceeding 50% of its assessed value; provided however, that in any addition to or alteration of any existing building there shall be retained an open area between such addition or alteration and each side-line of the lot on which said existing building is located equal to at least 20% of the street frontage of said lot; provided further, that said open area shall in no case be less than the side-line set-back designated for the district in which said lot is situated, as hereinafter set forth.
 2. Any such building or use if discontinued for a period in excess of 3 years, or if an agricultural use in excess of 5 years, shall not be reestablished and any future use shall conform with this By-Law.
 3. Any such building damaged or destroyed may be rebuilt within three years to no more than 150% of the total floor area existing at the adoption of this By-Law, provided that the increased area conforms with the density regulations of this By-Law.
- B. Accessory Uses - A permitted accessory use shall:**
1. Occupy not more than 25% of the total floor area of the principal building or 450 square feet whichever is less, and no more than 10% of the lot area maintained for its primary use.
 2. Conform to the Set-back and set-in requirements prescribed for the District, except however, where existing residential dwellings have less than the minimum lot size these requirements do not apply to existing dwelling or accessory buildings.
- C. Parking**
1. No person shall have more than one unregistered car or truck ungaraged in any Residential District at any time, unless authorized by the Board of Appeals, in accordance with paragraph 3 of Section VII-B of this By-Law, nor shall any unregistered or unsightly car or truck be stored in the "front yard".
 2. A "parking space" is an open or enclosed space of at least 10 feet wide by 20 feet long, exclusive of drives and maneuvering space, located on the lot it serves and with direct access either to a street or to a driveway leading to a street.
 3. One parking space shall be required for every four persons seated in a place of public assembly.
 4. Residential Districts
 - a. Off-street parking spaces shall be provided according to the following schedule:
 - (1) One space for each housekeeping unit, plus one space for each resident owner and operator of a motor vehicle;
 - (2) One space for every two persons for whom lodging or regular table board is furnished;
 - (3) One space for each person other than the resident principal employed in a permitted home occupation or profession;
 - (4) Two additional spaces for every permitted profession or business conducted on the premises.
 - b. No trailer trucks, or units thereof, house trailers, boat trailers, loaded or unloaded, and no vehicles of more than 1/2 ton capacity shall be parked between the rear line of the principal building on the lot and the street line, unless completely screened from the street.
 5. Business Districts
 - a. One off-street parking space shall be provided for each two employees and ten additional spaces for each business unit.
 - b. An open space of at least 20 feet shall be maintained at the sides of buildings to allow access to the rear.
 6. Industrial Districts
 - a. One off-street parking space shall be provided for each two employees and five additional spaces for each industrial unit.
 - b. An open space of at least 20 feet shall be maintained at the sides of all buildings to allow access to the rear.
 - c. No parking shall be permitted in front of any buildings.
- D. Screening**
1. Screening, so placed as not to constitute a traffic hazard, consisting of trees, shrubs, natural woods growth, Walpole type fence or its equivalent, at least six feet high, shall be provided in all districts for each of the following:
 - a. All exterior storage of equipment, materials, tools, implements or other substances and all exterior storage areas, unless located at the rear of the principal building, provided however, that in Residential Districts and where a Residential District abuts a Business or Industrial District in the rear of said districts, if an abutting owner in a Residential District deems the use of said storage area to be objectionable, and said condition is not remedied upon request, he may, after having notified such abutting owner by certified mail, at least three weeks before, make a written complaint to the Board of Appeals. After notice and a public hearing the Board of Appeals may find such use of said storage area objectionable and order it abated, or require it to be screened at the expense of the offending owner or make such other order as the circumstances may require.

But, the above provisions shall not prevent the display of goods, where sales are permitted under this By-Law, at the front or sides of the principal building, provided that said goods are removed at night and, also, when of a seasonal nature are removed in the "off season".
 - b. As further provided in this By-Law.
- E. Signs**
1. In all districts no exterior signs of the neon, flashing, moving or "sold" type are permitted.
 2. In Residential Districts:
 - a. One sign of not more than 3 square feet of surface per side pertaining to a permitted accessory use; provided that if illuminated, the illumination shall be derived from not more than one 60 watt incandescent bulb or equivalent per side, suitably concealed by a reflecting shield to direct the illumination primarily on the sign surface.
 - b. One sign of not more than 4 square feet of surface per side, pertaining only to lease or sale of the premises. The same restrictions as to illumination apply as in the preceding paragraph.
 - c. One sign for temporary use at the site of a development of not more than 48 square feet per side to be removed on completion of the development.
 3. In all Business and Industrial Districts
 - a. One sign of not more than forty (40) square feet pertaining to the use of the premises or a larger sign upon approval of the Board of Appeals.
 - b. Upon approval by the Board of Appeals, one sign of not more than one hundred (100) square feet pertaining to a group of three (3) or more business or industrial uses on the premises.
- F. Trailers**
- Not more than one house trailer may be kept on any parcel of land. No house trailer may be used as living quarters while so located, except that the owner or occupant of a parcel of land may permit occupancy of such land by a non-paying guest, using a trailer or mobile home for living purposes for a period not exceeding two (2) weeks in any calendar year. A permit for this purpose must be obtained from the Board of Selectmen or its agent before the land can be so occupied. Space shall not be leased for trailers. Provided, however, that the foregoing shall not prohibit the establishment of a trailer camp under the provisions of Chapter 140 of the General Laws.
- SECTION IV - Establishment of Districts**
- A. Types**
- For the purposes of this By-Law, the Town of Mattapoisett is hereby divided into ten classes of districts:

Residence R 20

Residence R.15

Waterfront Residence W 10

Waterfront Residence W 7 1/2

Rural Residence RR 15

Village Residence R 10

Marine Residence M R

Special Business S B

General Business G B

Limited Industry L I

B. Location

Said Districts are located and bounded as shown on a map entitled Town of Mattapoisett, Massachusetts. District Designation dated and on file in the office of the Town Clerk. Said Zoning Map with all explanatory matter thereon, is hereby made a part of this By-Law.

Zone boundary lines designated by property lines, street lines, easement lines and channel lines, without giving dimensions, are the nearest such lines existing when this zone was established.

Zone boundary lines drawn approximately parallel to street lines shall be considered parallel and the given offset dimension measured at right angles to the street.

Zone boundary lines not otherwise defined shall be determined by the scaled distance from adjacent map features.

- C.** Except as provided in Section VII B hereof, no building or structure shall be constructed, and no building, structure, or land, or part thereof, shall be used for any purpose or in any manner other than for one or more of the uses hereinafter set forth as permitted in the district in which such building, structure, or land is located, or set forth as permissible by special permit in said district and so authorized.

SECTION V - Use Regulations

A. Residence (R 20) Permitted uses:

1. Detached one family dwelling with associated private garage, barn, boat-house, wharves, and other accessory private buildings.
2. Religious, educational, civic and municipal use.
3. Renting of rooms for not more than 2 persons in a dwelling regularly occupied for residential purposes, provided no signs are displayed.
4. Non-profit yacht clubs and accessory uses.
5. Stabling of not more than two riding horses for the personal use of the occupants of the premises, provided that the stable and stable-yard are at least sixty (60) feet from the street and forty-five (45) feet from the side lines of the lot and are adequately screened from the street and adjacent premises and approval of the Board of Health is obtained. One additional horse for each additional 5000 square feet area of the lot, over 20,000 square feet, may be stabled, provided approval of the Board of Health and the Board of Appeals in accordance with paragraph 2 of Section VII-B of this By-Law are obtained.
6. Guest House (including the use of a housekeeping apartment in a separate garage or similar structure) provided:
 - a. The Guest House is used by the owner of the principal dwelling or by a guest of the owner of the principal dwelling or by a guest of the resident occupant of the principal dwelling.
 - b. The lot size for a principal dwelling and one guest house is at least 30,000 square feet.
 - c. The distance between a guest house and any other building shall be at least twice the side-line requirement.
 - d. Any rental of a guest house shall be made only with the written approval of the owner.
 - e. "Guest House" shall in no instance be construed as meaning multiple type edifices of the type commonly associated with apartment or motel construction.
7. Greenhouse, (non-commercial) and "kitchen gardens" and orchards, provided that they are not in the front portion of the lot.
8. Accessory uses permitted:
 - a. Use of a room or rooms in a dwelling or associated building by resident occupants for a recognized profession or related occupation, such as doctor, lawyer, dentist, consultant, agent, engineer, etc. Provided: that in any permitted accessory use, not more than one non-resident person may be employed at any one time (e.g. in the case of a physician, this would permit the employment of a nurse or a medical technician).

B. Residence R 15, W 10 and W 7 1/2, Permitted Uses:

1. Any use permitted in (R 20).
2. Renting of rooms and furnishing board for not more than four persons, in a dwelling regularly occupied for residential purposes, provided no signs are displayed.
3. Community Centers.
4. If authorized by Board of Appeals:
 - a. A private athletic or social club not conducted for profit.
 - b. The conversion of one-family dwelling existing at the adoption of this By-Law into a two-family dwelling on the same lot.
 - c. A hospital, sanitarium, convalescent home or medical clinic.
5. Accessory Uses Permitted:
 - a. Use of a room or rooms in a dwelling or associated building for carpentry and repairing, etc. and home occupations conducted by resident occupants, such as dressmaking, candy making, and other arts and crafts.
 - b. The practice of a resident of a recognized profession.
 - c. Use of premises or building thereon in connection with his trade by a resident carpenter, electrician, plumber, or other artisan; provided;
 - d. In any permitted accessory use, not more than one non-resident person may be employed at any one time, except that more persons may be employed for not more than one day at a time and not more than twice a month for the purpose of moving heavy or bulky objects to and from the premises.

C. Village Residence, Permitted Uses: (R 10)

1. Any use permitted in Residence (R 15).
2. Inns on North side of Water Street not over 35 feet in height, which conform in appearance to the adjacent type of structures.
3. Multi-family dwellings of no more than six units and no more than two and one-half stories in height.

D. Marine Residence District, Permitted Uses: (M R)

1. Any use permitted in Residence 15 (R 15)
2. Inns and hotels; except on the south side of Water Street, unless authorized by the Board of Appeals, in accordance with paragraph 2 of Section VII-B of this By-Law.
3. On the south side of Water Street one restaurant, one yacht club and one marina not more than one story in height.
4. Marinas, except as limited by paragraphs 2 and 3 above, with associated accessory services, provided these are not detrimental to the surrounding area.

E. Rural Residence, Permitted Uses: (RR 15)

1. Any use permitted in any preceding Residence District except Village Residence.
2. All agricultural uses including dairy, except piggeries, mink or fox farms or other obnoxious uses, unless authorized by the Board of Health and the Board of Appeals, in accordance with paragraph 2 of Section VII-B of this By-Law, provided that any building housing animals is not less than 100 feet from the street and fifty feet from any lot boundary.
3. Roadside stands, owned and operated by a resident for the sale of products at least 75% of which are Town produced.
4. Tea rooms (not including alcoholic beverages).
5. The sale of farm, market garden, nursery or greenhouse products at least 75% of which are grown in Town.
6. Exterior storage of equipment and materials including no more than two unregistered motor vehicles, provided that such items are screened from public view.
7. Hospital, sanitarium, convalescent home, or medical clinic.
8. Exterior storage of farm equipment.

F. Permitted Uses in Special Business District (S B)

1. Any use permitted in any Residential District.
2. Retail establishments intended to provide town or regional services, including supermarkets, department, food and drug stores and specialty shops.
3. Professional offices, banks and personal service agencies.
4. Indoor restaurants, lunch rooms, sandwich shops and dairy bars.

5. Accessory uses customarily incidental to the permitted main use of the same premises.

G. Permitted Uses in General Business Districts (G B)

1. Any use permitted in any Residential and Special Business District.
2. Motels, hotels, cabins and other transient lodging accommodations, provided that the overall building coverage is no more than 25% of the total lot area and that the type of building and grounds is in keeping with the surrounding area.
3. Automobile service stations, repair shops, garages and sales rooms, but not including used automotive parts sales and junk yards.
4. Retail establishments which also conduct some wholesale processing and packaging for shipment outside the area, provided that the building or buildings do not cover more than 25% of the lot and the part used for wholesaling does not occupy over 50% of the building and not more than 25% of the open part of the lot.

H. Permitted Uses in Limited Industrial District (L I)

1. Any use permitted in any Residential District (where applicable).
2. The following uses provided that such use will not be detrimental or offensive to adjoining areas:
 - a. Warehousing or storage of materials not of an offensive or dangerous nature.
 - b. Product fabrication or assembly of parts.
 - c. Research laboratories and small component manufacturers.
 - d. Clerical, statistical and construction services offices.
 - e. Publishing and printing businesses.
 - f. Food processing and packaging, particularly of products from local agricultural areas and sea foods.
 - g. Storage and sale of building materials and equipment and fuel oil, up to 100,000 gallons, provided that fire precautionary measures are taken.
 - h. Marine Industry

SECTION VI - Density Regulations

A. Notes

1. In Business Districts multiple units may be built not more than 300 feet long. No structure or structures shall cover more than 25% of the lot. An existing single lot having at least 100 foot frontage may be built upon.
 2. Residential Districts: Any lot having an area or frontage of lesser amounts than required by this By-Law may be considered as coming within its requirements, provided it is in existence at date of this By-Law and not adjoining other land of the same owner and has a frontage of at least 50 feet and an area of at least 5,000 square feet and complies with all set-back rear and side line regulations for the District, provided if the width is no more than 60 feet the side line set back may be 10 feet; and as further provided in Section 5A of said Chapter 40A.
 3. In all Districts: No building need be set back more than the average of the set-backs of the buildings or lot next thereto within 250 feet on each side; except on Route 6, where the minimum set-back shall be 65 feet. On all streets entering Route 6 the minimum set-back shall be 50 feet for a distance of 150 feet from the right of way line of Route 6. No building shall be over 35 feet high, exclusive of chimneys, spires, antennae or other accessory features.
 4. Frontage is the width of a lot measured, at the option of the owner, either on the street right-of-way line or on the minimum set-back line along one street provided that said lot is at least 70 feet wide and deep elsewhere. On a corner lot, the frontage requirements shall be measured to the mid-point of the curve joining the intersecting streets.
- B. Any building hereafter erected in any District shall be located on a lot having not less than the minimum requirements set forth in the table below, and no more than one dwelling shall be built upon such a lot. A "guest house" as the term is used in this By-Law is not classified as a "dwelling" for the pur-

poses herein. No existing lot shall be changed as to size or shape so as to result in the violation of the requirements set forth below:

District	Lot Sq. Ft.	Frontage Ft.	Set-Back Street	Set-Back Rear	Set-Back Side
R 20	20,000	125	35	30	20
R 15	15,000	100	30	30	15
W 10	10,000	100	25	30	10
W 7 1/2	7,500	75	15	25	10
RR 15	15,000	100	30	30	15
R 10	10,000	100	25	30	10
M R	10,000	100	25	30	10
S B		150	150	50	50
G B		150	65	30	20
L I		200	75*	50	50

*For the purposes of this By-Law "Street Set-Back" shall be from the West boundary line abutting the R 20 District and its continuation along the East side of the short section of the proposed access road, and also the North Boundary line of the Limited Industrial District (Code L I) as shown on the Zoning Map as revised March 30, 1966.

SECTION VII - Administration

A. Enforcement

1. This By-Law shall be enforced by the Selectmen or their agent. In addition to any method of enforcement of this By-Law provided under Chapter 40A of the General Laws of Massachusetts and amendments thereof, any person violating any of the provisions of this By-Law may be fined not more than five (5) dollars for each offense. Each day said violation continues, after notification thereof in writing, shall constitute a separate offense.

B. Board of Appeals

There is hereby established a Board of Appeals of (3) members and (3) associate members to be appointed by the Selectmen, as provided in Chapter 40A of the General Laws, which shall act on all matters within its jurisdiction under this By-Law in the manner prescribed in Chapter 40A of the General Laws. The Board of Appeals shall have the following powers:

1. Appeals. To hear and decide an appeal taken by any person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of Chapter 40A, General Laws, or by any officer or board of the town, or by any person aggrieved by any order or decision of the inspector of buildings or other administrative official in violation of any provision of Chapter 40A, General Laws, or of this By-Law.
2. Special Permits. To grant a special permit for an exception as provided by sections of this By-Law when it shall have found that the use involved will not be detrimental to the established or future character of the neighborhood and town and subject to appropriate conditions or safeguards if deemed necessary.
3. Variances. To authorize upon appeal, or upon petition in cases where a particular use is sought for which no permit is required, with respect to a particular parcel of land or to an existing building thereon, a variance from the terms of this By-Law where, owing to conditions especially affecting such parcel or such building but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this By-Law would involve substantial hardship, financial or otherwise to the appellant, and where desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of this By-Law; but not otherwise.

C. Amendment

This By-Law may be amended from time to time at an annual or special town meeting in accord with the provisions of Section 6 of Chapter 40A.

D. Validity

The invalidity of any section of provision of this By-Law shall not invalidate any other section or provision thereof.

Article _____. To see if the Town will vote to repeal Article II, Section 12, Article VI, Section 1, Article VII, Section 1, and Article X, Section 1 of the By-Laws of the Town of Mattapoissett.

play in any plan to cut down air pollution, and the Bell System is taking its role seriously. As operator of the world's largest private motor vehicle fleet - over 113,000 vehicles - the Bell System obviously can make an important contribution toward eliminating air pollution.

Although federal legislation will order exhaust emission devices be standard equipment on 1968 autos, AT & T recommended last fall that the devices be factory installed on all 1967 models, cars, vans and half-ton trucks that will be purchased as replacements or additions to the Bell System motor vehicle fleet.

New England Telephone has ordered 800 of these devices factory installed at an additional

THE FAVORING GALE

Scum stays long
Where the shoreline gradually
accommodates the sea;
And storms are needed to put
it in or out
That life may have another
chance to change it
Into what it really ought
to be.

So come ye named winds
And challenge all that makes
me
Smooth of virtue and devoid
of growth;

Timid to change,
Lest the pattern of the waves
upset the tiny boats
I have set to sea within the
shelter
Of an admiring cove.

I need the blow.
Help me despise the scum;
There bravely I shall move
against my own security,
And so bring forth the cleans-
ing unto new-born power
And radiant peace!
Don Finley

GET ON OUR BANDWAGON!!!

WOULD YOU LIKE TO HAVE THREE ENJOYABLE, EXCITING AFTERNOONS?

WOULD YOU CONTRIBUTE TO A MUSIC SCHOLARSHIP?

WOULD YOU HELP TALENTED STUDENTS TO HAVE A VALUABLE
MUSIC EXPERIENCE?

We are most fortunate to have a Symphonic Band of outstanding quality in our region. This organization, under the able direction of Mr. John R. Pandolfi, performs a wide repertoire of concert music. In every performance there is something to please and to thrill those who enjoy the great sound of the big band. There is something for every taste in the mix of light, contemporary musical show music, operettas and symphonic selections. As enthusiastic audiences from past seasons know, every concert is a memorable experience, an event to be anticipated eagerly.

This band enables music students in the area to play with a vital adult and semi-professional group to provide inspiration and incentive for them to improve their musical skill. It raises money for a music scholarship granted to a graduate of Old Rochester Regional High School, performs 3 concerts during the season with outstanding soloists and adds greatly to this community's musical culture.

CONCERT DATES: November 19, 1967 3:00 P.M.
January 28, 1968 3:00 P.M.
March 31, 1968 3:00 P.M.

All concerts held at Old Rochester Regional High School Auditorium

Patrons and Sponsors will be listed in the program unless otherwise requested
